

# FRENEMIES

Years 4 to 6

**CONSTABLE  
CARE**  
FOUNDATION

## Synopsis

Jasper is the new kid in school and is having a hard time fitting in - how can you help?

With the overarching aim of bullying prevention, this show helps children develop pro-social skills and supports them in creating and promoting a culture of respect and consideration amongst their school community.

The interactive performance encourages students to think about how their behaviour can affect other people. It also helps them build confidence in social situations, making friends, and developing resilience.

## Concepts Addressed

- Communication skills
- Self awareness and social awareness
- Recognising emotions and developing reflective practices
- Developing positive and respectful relationships
- Resilience through critical and creative thinking processes

## About Constable Care

Our theatre-in education themes have been derived from an expressed community need, and developed in consultation with experts in education, child safety, and harm prevention.

Every performance is supported by a teacher resource pack and evaluation kit. Constable Care also actively supports major community events, fairs, and fetes through performances and appearances that extend and reinforce our key messaging around the topics of child safety and risk reduction.
