Synopsis

Taylor was so looking forward to the holidays and hanging out with friends having fun. But then someone decided it would be funny to take embarrassing photos and post them online - making Taylor the latest 'Weird Kid' meme.

Trending uses two short scenarios to explore the potential dangers of social media for young people, helping them to understand the importance of online respect and consent, as well as the consequences of trolling, online abuse, and sending private pictures. Through the interactive playbacks and discussions, students are able to practice prosocial skills and collaborate to solve challenging predicaments facing young people today.
